Our Beloved Mentor

**Elissa Scalise Powell, CG
Wexford, PA**

In 2008, Elissa Powell volunteered to mentor the first ProGen Group, an eighteen month program of collaborative study and discussion. We thrived, she survived and continues to encourage fledgling genealogists. Thank you Elissa!

Leader Extraordinaire

**Angela McGhie
Laurel, MD**

Angela McGhie is currently the Administrator of the ProGen Study Groups and through her leadership of this first group, forged the path for all who follow. We are grateful.
